I. GENERAL PROVISIONS

The admission and tuition for foreign citizens from non-European Union countries to POLITEHNICA Bucharest are carried out in accordance with:

- a) Law on Higher Education no. 199/2023, with its subsequent amendments and additions.
- b) Government Emergency Ordinance no. 194/2002 on the regime of foreigners in Romania, with its subsequent amendments and additions
- c) Government Ordinance no. 22/2009 on establishing the minimum amount of tuition fees, in foreign currency, for citizens studying on a self-funded basis in Romania, from states that are not members of the European Union, as well as from those that are not part of the European Economic Area or the Swiss Confederation, approved with amendments by the Law on Higher Education no. 199/2023
- d) Order of the Minister of Education no. 5552/16.04.2024, published in the Official Gazette no. 742/30.07.2024, for the approval of the Methodology regarding the schooling conditions of Romanians from abroad and foreign citizens within accredited public, private, and denominational higher education institutions in Romania
- e) Order of the Minister of Education no. 4262/2024 for the approval of the Methodology regarding the academic mobility of students
- f) Order of the Minister of Education no. 5655/2024 of July 23, 2024, for the approval of the Methodology regarding the admission of foreign citizens to university and postgraduate study cycles, in tuition-based programs with fees paid in foreign currency.

Art. 1. Foreign citizens are individuals who do not hold Romanian citizenship or the citizenship of another member state of the European Union, the European Economic Area, or the Swiss Confederation, as proven by holding a valid passport. This also excludes citizens who are requesting or have obtained a form of protection in Romania, as well as stateless persons whose stay on Romanian territory is officially recognized according to the law.

Art. 2. The enrolling of foreign citizens at the POLITEHNICA Bucharest is carried out within the limits of the enrolment figures approved for each program/field of study, in the following categories:

- a) Without tuition fees, with a monthly scholarship
- b) Without tuition fees, without a monthly scholarship
- c) With tuition fees paid in foreign currency, on a self-funded basis (CPV).

II. ADMISSION TO ACADEMIC PROGRAMS IN ROMANIAN LANGUAGE

Art. 3. For the academic programs in Romanian language, one of the admission conditions is the level of Romanian. The foreign citizens can be enrolled in the preparatory year to study Romanian in 9 months within the POLITEHNICA Bucharest, in accordance with the legal provisions regarding the organization and development of the preparatory year of Romanian language.

Art. 4. The following categories of candidates are exempted from applying with the graduation degree of the preparatory year of Romanian language:

a) candidates applying with Romanian study documents (diplomas and certificates) or degree documents, study transcripts certifying at least 4 consecutive years attended in Romanian language at an institution of the Romanian national education system

b) candidates who, in view of enrolling in the higher education system, apply with certificates or linguistic competence certificates of the minimum level B1, according to the Common European Framework of Reference for Languages for foreign languages, issued by the accredited higher education institutions in Romania that organize the preparatory year of Romanian for foreign citizens, by the lectures of Romanian language, literature, culture and civilization organized in universities abroad/the Institute of the Romanian Language or the Romanian Cultural Institute

Art. 5. For the study programs in foreign languages, the programs in Romanian language respectively, the admission is conditioned by applying with a linguistic proficiency internationally recognized certificate (for English language - TOEFL, IELTS or Cambridge; for the French language - DELF; for German language - Goethe), at least B1-Level.

The candidates from countries where the official language is the one the academic program is taught in shall apply with documents certifying they have attended classes in that language.

- c) they hold the letter of acceptance for studies, issued by the specialized department of the Ministry of Education and Research
- d) they present the original study documents, as well as copies or certified translations of these documents, in Romanian or in an internationally recognized language, in accordance with the regulations of the higher education institutions
- e) they submit other documents requested by the higher education institution, according to its own regulations
- f) they hold a certificate of language proficiency in the Romanian language, with a minimum level of B1, according to the Common European Framework of Reference for Languages, issued by pre-university educational institutions organizing the introductory Romanian language course, by Romanian higher education institutions that have accredited the preparatory Romanian language program for foreign citizens, by the Romanian language, literature, culture, and civilization departments in foreign higher education institutions, or by the Romanian Language Institute. Foreign citizens who present Romanian study documents (diplomas and certificates) or study documents, school records certifying at least three consecutive years of studies followed in Romanian, are exempted
- g) they present a certificate of foreign language proficiency, as required by the higher education institution, in the case they have been admitted to a study program organized in a foreign language. Foreign citizens from countries where the official language is the same as

MINISTRY OF EDUCATION AND RESEARCH
National University of Science and Technology
POLITEHNICA Bucharest

the language in which the courses are conducted, and who can prove with school documents that they have followed courses in the teaching language of the university study program, are exempted

- h) they present a valid passport with an entry visa for the purpose of studies
- i) they present a diplomatic card issued by the Ministry of Foreign Affairs, in the case of foreign citizens, diplomats accredited in Bucharest, and their family members
- j) they present proof of payment of tuition fees, if applicable.

(2) Original study documents issued in states that are parties to the Hague Apostille Convention must be endorsed by the competent authorities of the issuing countries with the Hague Apostille. Original study documents issued in states that are not parties to the Hague Apostille Convention must be legalized by the Ministry of Foreign Affairs of the issuing country.

Art. 16. Upon enrolment, POLITEHNICA Bucharest will record the full name of foreign citizens in the school documents, in accordance with the data from the passport. The same name will be recorded on the documents issued upon completion of studies (diploma and diploma supplement).

Art. 17. POLITEHNICA Bucharest is obliged to conclude study contracts between the enrolled students and the Rector of the university, in accordance with the legal provisions in force.

Art. 18. After enrolment, foreign citizens are registered in the matriculation register with a unique number, valid for the entire duration of their education in the specialization/study program to which they were admitted.

VII. FINAL INTERNAL ACADEMIC MOBILITY

Art. 19. The final internal academic mobility is implemented in accordance with the Order of the Minister of National Education No. 4262/15.04.2024 for the approval of the Methodology regarding the students' academic mobility, with the acceptance of POLITEHNICA Bucharest, of the initial institution, respectively the receiving institution, and

MINISTRY OF EDUCATION AND RESEARCH
National University of Science and Technology
POLITEHNICA Bucharest

with the approval of the Ministry of Education and Research that issues a new Letter of acceptance to studies.

Art. 20. The final internal academic mobility is achieved only after the graduation of one year of studies, after fulfilling all the requirements included in the study program. The enrolment is carried out at the beginning of the new academic year, on condition that the number of places for enrolment be respected for the same specialization, and that the Letter of acceptance to studies be obtained.

Art. 21 (1) For short-term studies, bachelor's studies, and master's degree programs, permanent academic mobility may be carried out only at the beginning of a semester, after the first semester and up to the end of the penultimate semester, between study programs with the same total number of mandatory transferable study credits, within the same fundamental field, provided that enrolment capacity is respected for the same specialization and a letter of acceptance for studies is obtained.

(2) For doctoral studies, permanent academic mobility may take place within the same doctoral field, between accredited doctoral schools, after completing the training program based on advanced university studies, in accordance with the provisions of the framework regulation on doctoral studies.

(3) Permanent academic mobility of doctoral students may also occur within the same doctoral school in well-justified cases involving doctoral supervisors (e.g., retirement, death, etc.).

Art. 22. In the case of internal permanent academic mobility between higher education institutions, for the positions mentioned in Article 2 letters (a) and (b), funding will follow the student only if the field of undergraduate/master's/doctoral study is maintained and the minimum number of transferable credits required for advancement to the next academic year has been obtained at the sending institution.

Art. 23. In the case of foreign citizens enrolled in the positions mentioned in Article 2, points (a) and (b), academic mobility can take place after receiving a favorable opinion from the accredited diplomatic mission in Bucharest for the citizens nominated based on bilateral agreements, or from the ministries responsible for their selection.

Art. 24. The final internal academic mobility file shall include the following:

MINISTRY OF EDUCATION AND RESEARCH
National University of Science and Technology
POLITEHNICA Bucharest

- The graduation certificate of the preparatory year of Romanian language or linguistic competence certificate, as appropriate, in accordance with Art. 4 and 5
- The health certificate, issued in an international language, which certifies that the candidate does not suffer from infectious diseases or other diseases that are not compatible with the future profession. The health certificate must comprise information showing the candidate's current health condition and personal antecedents as to chronic diseases eventually
- Declaration on the protection of personal data regarding the procedures of the enrolment process (Annex IV)
- The payment declaration engagement for the tuition (Annex V)
- The minutes of the commission of equivalence/acceptance of the studies, that should clearly state the year of study the candidates can be enrolled in and possible equivalence examinations the students should pass, as established by POLITEHNICA Bucharest, by comparing the syllabi and curricula or the research projects, as appropriate.

POLITEHNICA Bucharest shall verify the authenticity of the documents, by direct correspondence with the educational institutions that issued the study documents.

VIII. CONTINUATION OF ACADEMIC STUDIES

Art. 25. Foreign citizens who have completed partial studies in another country may continue their studies at accredited higher education institutions only in fee-paying places, with tuition fees in Romanian lei or foreign currency, if they meet the following conditions:

a) They have been enrolled in a higher education institution recognized by the authorities of that country

b) They hold transcripts and the curriculum/course description corresponding to the studies completed

c) They have the acceptance of the accredited higher education institution in Romania where they wish to study

d) They hold a certificate of Romanian language proficiency at a minimum level of B1, according to the Common European Framework of Reference for Languages, issued by pre-university education institutions that organize Romanian language initiation courses, Romanian higher education institutions that have accredited the preparatory year program for Romanian language for foreign citizens, Romanian language, literature, culture, and civilization lectureships in foreign higher education institutions, or by the Romanian Language Institute, as applicable. Foreign citizens who present Romanian academic documents (diplomas and certificates) or academic records showing at least three consecutive years of studies followed in Romanian are exempted

e) They hold a certificate of linguistic competence in a foreign language, as required by the higher education institution, in the case they were admitted to a study program conducted in a foreign language, if applicable. Foreign nationals from countries where the official language is the one in which the courses are taught, and who can prove with school documents that they attended courses in the teaching language of the university study program, are exempted.

Art. 26. The continuation of studies in higher education institutions in Romania will be carried out in accordance with the internal regulations of POLITEHNICA Bucharest, provided that the enrolment capacity is respected.

Art. 27. POLITEHNICA Bucharest will submit to the Ministry of Education and Research the request for the continuation of studies, accompanied by the approval of the committee for the equivalence of studies and with the mention of the academic year in which the student is to be enrolled.

Art. 28. (1) The continuation of studies at POLITEHNICA Bucharest is conditional upon obtaining the letter of acceptance for studies issued by the Ministry of Education and Research.

(2) In the event that the student exceeds the standard duration of the study program to which they were admitted, POLITEHNICA Bucharest shall submit the file to the Ministry of Education and Research for the issuance of a new letter of acceptance for studies. The file shall include the following documents:

- a) An official letter from the higher education institution
- b) A copy of the initial letter of acceptance for studies issued in favour of the candidate
- c) A certificate attesting the student's academic status.

IX. INTERRUPTION OF STUDIES, WITHDRAWAL FROM STUDIES, EXCLUSION

Art. 29. Foreign citizens can benefit from an interruption of studies, starting from the second year of studies, for a maximum period of 2 years. Regaining the initial status is possible only for interruptions of studies for medical reasons, including maternity. In other situations, resuming studies can only be done by paying tuition fees, in accordance with the internal regulations of each higher education institution.

Art. 30. Foreign students who withdraw from their studies or are expelled may re-enrol at the same level of study only by paying tuition fees in foreign currency, in accordance with the specific regulations of each higher education institution. Exceptions are made for medical cases, approved based on the university charter.

Art. 31. In the case of failing the preparatory year of the Romanian language, for the places mentioned in Article 2, letter (a), the continuation of studies can only be done by paying tuition fees.

Art. 32. The conditions regarding exclusion, interruption of studies, and the minimum number of transferable study credits (ECTS) required for promotion in the following academic year are established by POLITEHNICA Bucharest in its specific regulations concerning the organization and conduct of university studies.

X. FINAL DISPOSITIONS

Art. 33. The tuition fees for foreign citizens from non-European Union countries is approved by the University Senate through this methodology (Annex VI), according to Government Ordinance no. 22/2009 regarding the establishment of the minimum amount of tuition fees, in foreign currency, for citizens studying on their own expenses in Romania, from states that are not members of the European Union, as well as from those that are not part of the European Economic Area and the Swiss Confederation, approved by Law of Higher Education no. 199/2023, with subsequent amendments and additions. The fees related to the issuance of certificates, documents, study documents are regulated by the system of administrative fees approved by the University Senate. In case of withdrawal from studies (for enrolled students), the paid tuition fee is no longer refunded.

Art. 34. POLITEHNICA Bucharest shall send to the Ministry of Education and Research the places at the disposal of foreign citizens from non-European Union countries, which falls within the maximum number of students that can be enrolled, in accordance with the regulations in effect.

Art. 35. The foreign citizens who obtain the Romanian citizenship can take a place financed from the state budget or in tax regime, at the quantum set by POLITEHNICA Bucharest's Senate for the Romanian citizens, on condition they pass the admission exam organized in a legally organized session, in accordance with POLITEHNICA Bucharest's own regulations.

Art. 36. A foreign student who is admitted to university studies on a tuition-free place, with a monthly scholarship, and, respectively, tuition-free without a scholarship, can benefit

MINISTRY OF EDUCATION AND RESEARCH
National University of Science and Technology
POLITEHNICA Bucharest

from budget funding for only one field of study within the same cycle of university studies. A second field of study can only be pursued under a tuition-paying regime in foreign currency.

Art. 37. The letter of acceptance is valid only for the higher education institution it was issued for, starting with the academic year for which it was issued and for the respective academic cycle. Any change during the academic course, which contradicts the documents in the initial Letter of acceptance (university, field of study, subfield of study, extension/interruption of doctorate etc.), will be regulated, at the request of POLITEHNICA Bucharest, by the Ministry of Education and Research that shall issue a new Letter of acceptance.

Art. 38. Enrolment to studies, academic mobility, change of field of study and re-enrolment are carried out exclusively with the approval of the Ministry of Education and Research.

Art. 39. The foreign citizens have the following obligations:

- a) to respect the Constitution of Romania and the laws of the Romanian state
- b) to respect the provisions of POLITEHNICA Bucharest's Charter
- c) to respect POLITEHNICA Bucharest's own regulations and methodologies
